

Are you facing income loss due to job changes?

Do you need help?

#MHKTogether, a project of the Greater Manhattan Community Foundation (GMCF), Shepherd's Crossing, and Konza United Way, is helping you, your community, and your local employers.

If you see a reduction in income during the current corona pandemic, you can apply for grocery assistance.

- + Go to www.mhktogether.org and submit an online application.
- + Provide information about your current employer (or recent employer if laid off or reduced hours due to COVID19 health guidelines.)
- + Manhattan, Kansas residents meeting the above requirements are eligible to apply.
- + If approved, you will receive gift cards to Dillons or HY-Vee that can be used towards your family's grocery needs.

Your community supports you.

Please **share** with everyone you know.

If you need help, **reach out**.

Our community is strong and we **help one another**.
